SODWANA Bay, SOUTH AFRICA

A serene landscape photograph capturing a sunset. The sky is filled with horizontal bands of orange, yellow, and soft blue, with wispy clouds catching the low light. In the middle ground, a range of dark, silhouetted mountains stretches across the horizon. To the right, a dense line of trees is also in silhouette. The foreground is dominated by a calm body of water, which reflects the vibrant colors of the sky, creating a shimmering effect. The overall mood is peaceful and contemplative.

I am grateful
